Please include this request in your RSVP.*

CHRISTMAS *Glow*

Glow is one of the world's largest indoor Christmas festivals, brightening up 11 cities in 3 countries. The Edmonton Glow event includes light gardens, illuminated structures, a vendor market and interactive activities and playgrounds for the entire family.

The theme for 2019 is "Glow Around the World" where you can explore lighted trails, stroll through festive city streets and marvel at illuminated historical landmarks as you discover themed rooms in China, India, Holland, Mexico, France, and England. Travel the "Glow World" to collect stamps from each of these countries and earn a prize after collecting all six.

Edmonton City Centre retailers will be featured in the vendor market for holiday gift shopping ideas. Come for the VIP party and enjoy the full Glow experience!
